**Drawing/spec**

Post by Administrator on 9/7/05 at 12:03

Drawing/specification now available at <http://users.wpi.edu/~skwirl/HardwareGuide/New/Ready/Systems/SEW14a-b.pdf>

Just a suggestion to add 2'-6" to 4'-0" offset to the drawing as well as the notes, drawing currently reads 4'-0" offset only.
